

4/5-6 YO : Child #1 :
7-8 YO : Child #1 and #2

Child #1 bragging to child #2	Child #1 : My dad can talk 6 languages!
Child #2 in admiration	Child #2 : That's so cool... Well my dad can find up to 200 types of infections in your mouth!
Child #1 not convinced that is possible	Child #1 : ! ya right...that's impossible!
Child #2 explains « matter of factly »	Child #2 : Yes it is, he's a dentist
Child #1 now curious	Child #1 : Really wow...how does he do that?
Child #2 shows off	Child #2 : Well it takes a very me-ti-cu-lous examination!
